Serving Angels Media  
Attn: Betrice Coleman-Sweet

Dear Betrice,

On behalf of the patients and families that Children's Hospital Los Angeles cares for, we would like to thank you for your support and generosity of the hospital by supporting 'Jazz and Blues Night with Buddy Sampson', which will raise vital funds to benefit the hospital. We know that it can be difficult to raise funds on our behalf in this challenging economic time but we want you to know that every dollar counts.

Your gift consisted of Publicity services. While Children's Hospital Los Angeles cannot verify the actual value of your contribution, this letter will serve as proof for IRS purposes that your gift was, indeed, contributed to the event and all proceeds generated from this event will support the life-saving work at Children's Hospital Los Angeles.

Once again, thank you for your invaluable commitment to Children's Hospital Los Angeles and for all that you have done to help us sustain our mission to *create hope and build healthier futures*. We hope you will continue to support the hospital through future fundraising events.

On behalf of the patients and families in our care, thank you for your dedication to Children's Hospital Los Angeles!

Best regards,
